Approximately 40 Frontier High School students attended the 28th Annual OUHSD Career Fair on Wednesday, March 7. The students enjoyed visiting with the many career sites and representatives. Thanks to the teachers and staff who helped with the Career Fair and attended with the students: Mrs. Ruth Fenske, Mrs. Jan Henry, and Mrs. Alexis Ortiz. A very special “thank you” to Mrs. Julie Varde Gonzales, Career Tech, for her hard work in setting up the Career Fair to make it such a success. Our students were dressed exceptionally nice this year. They looked so professional and we were so proud of them.

The Peer Resource students are preparing for their TUPE presentations and for the Anti-tobacco poster/media contest. Encourage all the students to participate, as we have great talent and there are excellent prizes. They are learning lots of information about the effects of smoking cigarettes and Marijuana.

The ASB has welcomed new members and we are happy to get more helping hands. We have Renaissance and St. Patty’s activities on March 15 and will be sponsoring the ART SHOW at Open House on March 20. We hope to have a talent show on March 30.
